Certified Organic Grapes

As you take a walk through the vineyard with Charlie Barra, you'll find yourself surrounded by 60 year old, craggly grapevines that resemble the sun-baked hands of the farmer that has nurtured them.

These hearty, twisted vines, located on the benchlands at the headwaters of the Russian River in Redwood Valley, CA, are the source of the superior organic fruit that goes into each bottle of Girasole Vineyards wines.

**Pinot Blanc • Chardonnay • Muscat
Canelli • Pinot Noir • Sangiovese
Cabernet Sauvignon • Hybrid Red**
